HANDLES

STANDARD FINISHES

PREMIUM FINISHES

GLASS

- Meets thermal performance requirements, including ENERGY STAR®, with ProSolar® and ProSolar® Shade Low E glass packages.
- Customize the look of your door by adding optional grid, tint, and obscure features.
- Enjoy a comfortable, quiet home with a sound and security glass package featuring impact-resistant glass.

LOCKS

- Ergonomically designed handles are available in three standard finishes and three premium finishes.
- Relax with undeniable peace of mind by upgrading to the easy-to-engage footbolt.

SCREEN

- Enjoy fresh air without the bugs with durable fiberglass mesh that creates a barrier from the outdoors.
- Maximize your view with new high-visibility screen mesh that is less visible than the standard screen.
- Ultimate protection against screen wear and tear from pets and children with new high-durability screen mesh.

BLINDS BETWEEN THE GLASS

- Increase privacy without the hassle of hanging blinds! Blinds between the glass provide privacy without taking up additional space and make cleaning your door a breeze.
